

SCENIC RIVERS ENERGY COOPERATIVE

POLICY BULLETIN NO. 20-27

IDLE SERVICE RATE

APPLICABILITY

For services that have remained idle for three (3) more years. Scenic Rivers Energy Cooperative is committed to minimizing the ongoing operating costs of the Cooperative. With this in mind, we need to remove our facilities from service locations that no longer are in use. Though they have been disconnected and are not being used, idle services require continued maintenance (such as inspections, right of way clearing, pole testing/replacements, etc.), must meet current codes, and tie up material and equipment that could otherwise be used elsewhere.

TYPE OF SERVICE

Single or 3 phase idle services.

RATE

Annual Facility Charge \$ 150.00 plus tax

Plus cost sharing to be determined by cooperative personnel

TERMS OF PAYMENT

The bill for the year will be mailed to the owner in November. Bills must be paid by the 20th of the month or a 1½% penalty of the total bill will be added because of late payment and if not paid by December 20th, will be subject to removal of the line.

DATE ADOPTED: 12/28/00

DATE REVISED: (effective with November 2006 billing)
